Area School & College Logo’s available!

Airbrush tattoos

With the right attitude and reasonable expectations, you can make a real impression with a temporary tattoo. Whether you're testing out the idea of a permanent tattoo or showing off your sense of style, it's possible to enjoy all the glory of a real tattoo without making any serious commitments or burdensome sacrifices.

FAQ'S

Q: Are TAT's Safe?

A: Our Ink contains only FDA approved ingredients, non-allergenic, and organic. All of our TAT's are safe and painless.

Q: How long does it take to get a TAT?

A: It takes only one to three minutes.

Q: How long do TAT's last?

A: Up to 7 days depending on how they are applied and cared for, what part of the body they are applied to and how rapidly your skin sheds. Our ink is the highest quality, longest lasting ink available in the world. *TAT's can be removed with alcohol or baby oil.

Q: How do I take care of my TAT?

A: Our TAT's are waterproof; however, you must take care of them by following basic instructions:

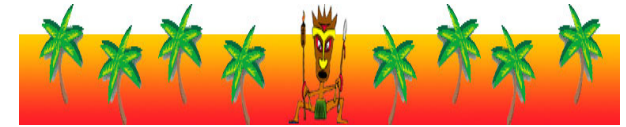

- Do not rub or scrub TAT, pat or air dry TAT area
- Apply powder after bathing and before sleeping
- Keep tight fitting clothing from rubbing on TAT
- Do not apply oils or lotions on TAT
- Do not shave over TAT

Q: How much does getting a TAT cost?

A: The cost of your TAT depends on the size & how many colors are used. The costs are between \$5 - \$15. \$1 extra per crystal embellishments.

Q: Do I need an appointment to get a TAT?

A: We will try to accommodate walk-ins but an appointment is preferred.
